CHICK, CHICK, CHICKERY CHICK THOUSANDS ARE NOW PEEPING

Over 60,000 Fluffy Little Fellows Will Be Hatched At The Fleming Hatchery, Beamsville This Season—Shipments Have Been Made To Newfoundland Without Loss Of A Chick—Use Eggs From Special Flocks.

The time of the setting hen coddling a nest of eggs for several weeks has just about disappeared.

This familiar scene like so many other wonders of nature has been replaced by man made machinery. And what is more important, this scientific age has bettered the job the old hen used to do.

The art of taking thousands of dozens of eggs, placing them in an incubator, and in three weeks time, right on the dot, emerge thousands of little balls of fluff, that will some day grace the table of the nation's consumers in one form or another, is what happens today.

All this adds up to our recent visit to the Fleming Farms, home of thousands of baby chicks each year. Situated on Ontario Street Beamsville, this hatchery has grown up since 1923 when it was started by the founder the late Aubrey Fleming, from a four hundred egg capacity incubator, until today its capacity is sixty-thousand.

The by-word of any good business is quality, and at the Fleming Hatchery this is stressed profusely. As we mentioned in the opening paragraph, the scientific age has made great strides in the betterment of many fields of endeavour, but you may ask what can be done to better an ordinary egg?

As in humans, chickens also have their diseases, most common and troublesome of these being the pullorum disease. What has been done to win this war over disease in chickens? The answer goes way back to the farmer that owns the hen, that produces the eggs that

(Continued on page 5)

Pensioners Are On The Increase

Total Of \$138,734 Paid Out In St Catharines Last Year—44 Mothers' Allowances.

A total of \$138,734.97 was paid in pensions during the past year in the city of St. Catharines according to figures released last week at the meeting of the Pensions Board.

An increase in the number of people of the city receiving old age pensions was shown in the report presented last night, the total cost being \$112,061.61 for the year. Grants made during 1945 totalled 53 with three reinstatements, bringing the total number of old age pensions up from 366 at the end of 1944 to 426. However there were 62 cancellations during the year, consequently the number of pensioners in St. Catharines stands now at 364, four less than in December of 1944.

Only two additions were reported during the year for persons receiving blind pensions, the total standing at 11 at the end of the past year. Total cost was \$4,415.36. There were forty-four recipients of Mothers' Allowances in St. Catharines at the close of the year 1945 at a total cost of \$21,258.00.

FARMERS WANT MAIL DELIVERY BUT FAIL TO SIGN THE FORMS

Until They Do So New Rural Route In North Grimsby Will Not Be Established—Proper Forms Can Be Secured At Grimsby Post Office.

There is an old saw to the effect that "if you do not help yourself, nobody will help you."

It is beginning to look as if that is true, insofar as the establishment of a rural mail route in North Grimsby, west end, below the mountain, is concerned. Apparently the farmers do not want to help themselves, therefore the Post Office Department is not going to help them.

Before the war Councillor Wm. Mitchell took up the question of establishing a rural mail delivery route in this territory and was making very satisfactory progress when Hitler broke loose. Everything was left in abeyance.

Last summer he again took the matter up and Postal Department made a re-survey and then advertised for tenders for the delivering of the mail. They also asked that all persons living on the route, who wished rural delivery, to call at the Grimsby Post Office and receive a form. They were to fill this form out in detail, sign it and return it to Postmaster Bromley. Some of the people have done so, but the big majority have not done so. Until the required 60 per cent of the residents on the proposed route do fill in and return this form, there will not be a mail route established.

The farmers all want the rural delivery of mail, but the most of them are too lazy to go to the Post Office and get the required form, take it home, fill it in, sign it and return it to the Postmaster. Until a sufficient number do so they will continue to come to town for their mail.

That big majority of residents who have failed to perform this little task, better do so at once and in a short while they will have their rural mail delivery.

Truck Crashes Standing Car

A light panel truck driven by H. Young of 432 St. Clarence Ave., Toronto was badly damaged in a freak accident Monday night at Korman Ave. and the Queen Elizabeth Highway.

The truck collided with the rear of an auto driven by Frank Koen of Beavertown, Thorold, which was pulling over to the shoulder of the highway with a flat tire.

The truck went out of control, and after careening about the boulevard and the pavement it struck a culvert and rolled over.

The driver suffered a laceration over the left eye. The accident which occurred at about 8.30, was investigated by Provincial Constable Teddy Hope.

Mrs. Lloyd Haynes, 7 John St., reports seeing two robins Wednesday morning, March 6th. Hurray; spring's here now.

Council Discuss Lake Erosion

Councillor Freure Believes "It's Got Municipalities Licked"—Clinton Township To Buy Power Shovel.

The March meeting of Clinton Township Council was held Monday afternoon with all members present, and Reeve George Montgomery in the chair.

The session was dull, with matters of any consequence being side-tracked.

A four wheel drive army type truck was displayed in Council, and demonstrated to Road Commissioner Stanley. Nothing definite was stated with regard to the purchase of this or any other truck, although Council's order for a new truck is still pending.

The quarry came in for a going over, and it was finally moved by Frank Warner that the clerk be instructed to advertise for tenders for a three-eighth, or one-half yard power shovel either new or used. Councillor Schick seconded the motion.

It is felt by Council that a shovel would be very beneficial to the operation of the quarry, and that the machine would pay for itself in short order.

On motion by Harold Freure, the clerk was instructed to advertise for a new road grader equipped with an eight inch blade.

Other business dealt with was the renewal of insurance policies with the Ocean Accident Guarantee Corp. and the Anglo-Scottish Company. And premiums totalling three hundred and twenty-three dollars and eleven cents to be paid.

Mention was made with regard to the erosion situation, and Councillor Freure stated that "It's got the municipalities licked."

Councillor Warner stated that Dick Snelgrove a resident on the Lake Shore has asked that interested rate-payers should meet and attempt to make a start on what is to be done with regard to the erosion problem on the shores of Lake Ontario.

Beamsville Boy On Muskox Trail

Gnr. Blake Mowat son of Mr. and Mrs. Tom Mowat of Niagara-on-the-Lake and grandson of Mr. and Mrs. E. B. Konkle, Lincoln Ave., Beamsville, is at present slugging his way along with the other hardy individuals on the Muskox Expedition in the vast wilderness of Canada's north.

Blake was stationed at Camp Shilo, Manitoba, when he volunteered for the trip, and was one of the first accepted. His duties on the hazardous trail consist of driving one of the snowmobiles, and he also is an accomplished mechanic.

Has Retired

Constable Francis Hill, of the Hamilton Police Force who retired on March 1st.

Francis is an old Grimsby boy and has served on the police force for thirty years.

During the past year under the heading of "Who Knows" he supplied to the readers of the Independent, news from "way back" during the stone car age in the village. He is retiring with three months leave of absence, when he shall reach the age limit of the force.

Recalling the police duty of thirty years ago when he joined the force, the beats were patrolled by footmen in the residential districts, but later were replaced by motorcycles and now modernized by cruisers and two-way radios.

On May 19th, 1940, through his alertness, he prevented a safe robbery in the Teller store, which merited a mark of praise.

During the past two years he has been attached to the central market duty, where he was privileged to meet and assist many of the fruit growers from this district.

Membership Drive Is Now Under Way

Local Red Cross Branch Needs Your Support—Send In Your Donation Today—Don't Delay.

The Grimsby and District Red Cross branch is now in the throes of a big drive for membership, and it is to be hoped that their efforts will attain grand results.

During the past six war years a big campaign has been staged every March for funds to carry on the work of the Red Cross. This year the drive is taking the form of a membership campaign only.

No doubt you have received a letter from the local Red Cross branch containing a form to fill in and sign and return to the treasurer, Miss A. M. Crane with your donation. If you have not done so, then do it today.

Up to the present the donations received have been very gratifying but there are still a large number of residents to be heard from yet. All donors of \$1 or more will receive an official receipt for their donation.

GRIMSBY FACES VITAL PROBLEM OF PROPER SEWAGE DISPOSAL

LAKE EROSION

A deputation of men from the various municipalities from Niagara to Toronto, interested in the Lake erosion situation, awaited upon the Hon. Dana Porter, at the Parliament buildings, Toronto, on Wednesday of last week.

From authoritative sources we understand that Mr. Porter received them affably. But affability does not save peach sand being washed out in to the lake. Mr. Porter we also understand, would not commit himself to the slightest degree. In fact he fell back on the old Sir Oliver Mowat argument, "We will take it into our serious consideration." The deputation might just as well stayed home.

Lake erosion, by proven statistics is a serious problem over every inch of the territory from Niagara to Toronto. Engineers have shown by their reports that the eating away of land in the past 100 years is over 300 yards.

That action must be taken by the municipalities and by both governments as well as the land owners effected, stands without question, otherwise the babies of today will live to see the day that the Canadian National Railway tracks are washed out.

In the meantime, what becomes of Grimsby Waterworks pump house and the vital water supply of both Grimsby and North Grimsby.

There are five counties bordering on Lake Ontario that are vitally concerned in this issue, Lincoln, Wentworth, Halton, Peel, South York. Yet that lone deputation felt its way through the labyrinth of the Parliament buildings to Dana Porter's office without the assistance of any Member of Legislative Assembly from any of the constituencies concerned. They were all invited. Not one showed up.

Now if the members of parliament from these five ridings have no more interest in their constituents than what has already been evidenced then it is time for a show down in each individual constituency. Find out whether they have their constituency at heart or whether it is a case of sit down there in Toronto and draw their pay.

There is not a doubt in the world that it is going to cost the Town of Grimsby in the neighborhood of \$50,000 this coming year to protect that pump house and the water supply, and the property east and west, a necessary adjunct. It is going to cost the citizens of North Grimsby thousands and thousands of dollars to protect the shore line property.

Yet a deputation walks into the Parliament buildings to interview Hon. Dana Porter. Alone and forlorn. Where was Lincoln's representative, Hon. Charles Daley? Where were the other M.L.A.'s from the other four counties? You're asking me? At the Good Roads Convention. It was all free.

NEW TORONTO FRUIT TERMINAL WILL BE STARTED THIS YEAR

Happy News For Telephone Users

Bell Tel. Co. Proposes To Extend Rural Services And Cut Down On Party Lines.

As the first stage in a \$10,000,000 program to expand and improve rural telephone service, The Bell Telephone Company of Canada has added 5,400 more rural telephones to its system in 1945, it was announced this week.

Carried out in spite of the shortage of materials and manpower, these additions bring the total of rural telephones served by the company to the record high of more than 86,000 at the beginning of 1946. And there are also approximately 110,000 rural subscribers of independent companies with access to Bell lines through connecting arrangements.

It is proposed during the next few years to reduce the number of telephone subscribers on a rural telephone line, and this alone will require over 1,000 circuit miles of additional wire, with thousands of pole replacements, cross-arms, etc. This reduction in load will enable existing rural telephone users to get an improved service, and will be carrying out the recommendations made by subscribers themselves in answers received from a rural opinion questionnaire circulated by the Bell Telephone Company in 1945.

In order to provide for growth on existing routes, a further two to three thousand circuit miles of wire will be required, and to extend service beyond present routes, it is estimated that almost 3,000 more miles of poles and wire must be constructed. This latter change will encourage the provision of service in the fringe areas of exchanges.

Town Council Must Expand Present System And Reconstruct The Present Sewage Disposal Plant—Days Of Outside Toilets And Septic Tanks Have Passed—Cost Of Construction Will Be Heavy.

(Dr. J. M. Mather, M.O.H. for West Lincoln)

Proper sewage disposal is one of the fundamental requirements for any modern municipality. It is vitally necessary for health but it is also a real convenience for the population and promotes more pleasant living conditions. The use of septic tanks with tile fields in towns is, at the best, only a temporary and makeshift alternative. They require regular maintenance and an adequate area for drainage. Many septic tanks in Grimsby have no field tile for drainage and, especially during the summer months, produce most unpleasant conditions. Even in the most central part of the town there are many outdoor privies with all the attendant odours, fly menace etc. These are a real source of danger and may spread typhoid, diarrhoea etc.

It is estimated that 65% of the population of Grimsby is now supplied with sewers. The problem is to give the same service to the remainder of the population.

During war years it was impossible to procure either material or labour for extension to the sewerage system. The Town Council are alive to the problem and have already engaged a firm of engineers to submit a report on the changes that are needed. Dr. A. E. Berry.

New Provincial Has Fine Record

Constable W. J. Gillings Replaces Corp. Eddie Priest—Went Overseas A Private, Came Home A Captain.

Provincial Constable W. J. Gillings, of Welland detachment, has been transferred to Grimsby detachment, to replace Corp. Eddie Priest who will soon take up his duties in charge of St. Catharines detachment.

The Independent, speaking on behalf of the residents of this district, welcomes Provincial Constable Gillings to our midst, and hopes that he will find, like his predecessors, that we are a joyous loving people, but not a troublous people.

Constable Gillings has an enviable record in the Provincial force, and in His Majesty's service. He joined the Provincials in 1933. In 1940 he enlisted for active service. He went overseas with the investigation department of the Provost Corps as a private and came home a Captain. After discharge he rejoined the Provincials. He is married and has one son. He is looking for a house. What have you?

Decorated

Major M. R. Harries, R.C.A.R.C. of Grimsby Beach was in attendance at the investiture held in Ottawa last week on behalf of His Majesty King George VI, by Lord Athlone, Governor General, and was presented with the M.B.E. (Member British Empire) recently awarded to him by His Majesty. Major Harries is a son-in-law of Mr. and Mrs. Bedford Scott.

Sniff... Do You Smell The New Mown Hay? Sniff

This picture was taken in a hayfield. Where? When? You in the photo. There may not know a hay rake from a barred plymouth rock rooster, but of yesteryear in this picture. There are some mighty prominent men of the district.

FACTS & FANCIES

Frank Fairborn, Jr.

WILL THEY COME BACK

Dental science has endorsed the use of the old-fashioned toothpick as a necessary implement for the sure preservation of the teeth. Will this endorsement break down the barriers of modern social etiquette and bring the lowly toothpick back to its once proud position again?

Most of us can remember when a bowl of toothpicks occupied a prominent place on every public dining room table, and on quite a few private ones too. If that day comes again and the humble but useful little piece of wood gets back into society again, there is not a bit of doubt but that life will get back much of its lost color.

Most of us can remember too, when the more common wooden sliver had a much more prominent brother in society. When every man carried a quill in his right hand vest pocket for his own personal use. Will they come back again?

And then there was the still more elaborate variety. The beautifully carved and gold mounted bone tooth picks which graced so many manly watch chains, and even solid gold ones, which served as things of beauty as well as usefulness. No doubt they too will be released from their long hiding places.

We may even get back to the day when it was so easy for the country visitor to the city to identify the man of wealth and standing, in public and private dining rooms, by his artistic, proudly displayed and frequently used toothpick.

SHARP IMPERTINENCE

So the Michigan State Barbers Association has passed a resolution discouraging the reading of newspapers in barber chairs because it stiffens the reader's neck! Every newspaper worthy of its ink is used to subscribers' protests that certain articles or editorials give them a "pain in the neck". But the barbers' indictment of newspapers as a whole is the unkindest cut of all.

Could it be that the tonsorial gatherers and purveyors of news recent competition? Or could their reaction be similar to the wife's whose husband reads at the breakfast table, and, if so, are they removing once and for all the temptation to throw the shaving mug?

Of course, the papers themselves may be responsible for the stiffening suggestion. There has been no end lately of headlines such as "Britain Stiffens Attitude in Syrian Crisis," or "Stiff Stand Taken on Veto."

But if it is only that the barbers want their customers to be relaxed, we might hint that they just ban the comics. Those close shaves, a la Dick Tracy, are guaranteed to have anything but a soothing effect.

THE ART OF GETTING ALONG

In these days of pressure and strain, it is a good idea to stop for a minute and take a personal check on the uncommon art of "Getting Along." In this connection, a craftsman, noted for his ability to take things in his stride, was asked for some thoughts to pass on to the rest of us. Here are his suggestions:

Sooner or later, a man if he is wise, discovers that life is a mixture of good days and bad, victory and defeat, give and take.

He learns that it doesn't pay to be a sensitive soul—that he should let some things go over his head like water off a duck's back.

He learns that he who loses his temper usually loses.

He learns that all men have burnt toast for breakfast now and then, and that he shouldn't take the other fellow's grouch too seriously.

He learns that carrying a chip on his shoulder is the easiest way to get into a fight.

He learns that the quickest way to become unpopular is to carry tales and gossip about others.

He learns that most people are human and that it doesn't do any harm to smile and say "Good Morning" even if it is raining.

He learns that most of the other fellows are as ambitious as he is, that they have brains that are as good or better, and that hard work and not cleverness is the secret of success.

He learns that it doesn't matter so much who gets the credit so long as the business shows a profit.

He comes to realize that the business could run along perfectly well without him.

He learns to sympathize with the youngsters coming into the business, because he remembers how bewildered he was when he first started out.

He learns not to worry when he does not make a hit EVERY time, because experience has shown that if he always gives his best, his average will break pretty well.

He learns that no man ever got to first base alone and that it is only through co-operative effort that we move on to better things.

He learns that the fellows are not any harder to get along with in one place than another, and that "getting along" depends about 98 percent on himself.

THE COUNTRY EDITOR

Members of the Advertising club of Minneapolis, Minn., are quite accustomed, of course, to the glamour that goes with the colorful and exciting business of advertising, publicity and public relations, but the other day at Minneapolis they heard tell of the profession's man of many chores who, like the army infantryman, just plug along sans glamour and glory.

That man of many chores, that foot soldier of public information, that spokesman for his community, ladies and gentlemen, is the country editor!

And the man who told the story and drew the comparison is the same Ludwig I. ("Lud") Roe who, as editor of Montevideo's (Minn.) News, has marched his way to national prominence and recognition in the newspaper world, just as he sloshed and slugged with the infantry in World War I. Said he, in part:

"Remember what they said about the infantry a few years ago?

"They said it was inefficient, out-of-date not needed because of modern weapons. All this country needed to wage war, they said was airplanes, ships, tanks, big guns; and only a few men. The foot soldier was through.

"I remember how apologetic a friend was when I asked what outfit his son was in. He said, in a shamefaced way, 'Oh, he is in the infantry.'"

"Then came the realistic test of all-out war. Again the infantry proved itself to be 'The Queen of Battle.'"

"The country weekly is the infantry in the army of information. (As a former foot-slogger I hope the infantrymen of today will permit me this comparison.)"

"Radio is the air force—ranging everywhere. Slick-papered national magazines are the battleships—cruising majestically and firing broadsides. Big-city daily newspapers are the artillery—with concentrated firepower in a certain area. Other media are the special services in the army of information. Good arms of the service, all of them.

"The foot soldier in the army of information who moves in and holds the ground previously subjected to general fire is the home town country newspaper. Slow, without glamour, with mud on its shoes and sometimes needing a shave, this foot soldier in the army of information moves in, and stays in thriving towns and on productive farms.

"It is easy to under-estimate the infantry. And the country weekly. Neither is spectacular. But both get down where people are. No matter how many new machines and gadgets are tried, the foot soldier and the country weekly will be needed for the essential, personalized, man-to-man contact. They do get down where people are.

"This basic value of the country weekly is of interest to those who serve on the general staff of the army of information."

Penned and Pilfered

You never break Nature's law—Nature's law breaks you.

When you get into a tight place and everything goes against you, till it seems as though you could not hold on a minute longer, never give up then, for that is just the place and time that the tide will turn. Believe me, every man has his secret sorrows, which the world knows not; and oftentimes we call a man cold, when he is only sad.—Longfellow.

Blended for Quality "SALADA" TEA CONTINUATIONS From Page One

GRIMSBY FACES

The chief sanitary engineer, of the Ontario Department of Health has left in close touch with the situation.

The contemplated changes will require the expenditure of a comparatively large sum of money. No municipal council wishes to spend the ratepayers' money needlessly but if the necessary changes are not made the Provincial Government has the power to issue a mandatory order to a municipality requiring work to be done. Any municipality would rather carry out such a project on its own initiative when the need is demonstrated.

There are certain problems peculiar to the local situation. The present system is a combined type carrying both sewage and storm water. At certain times when the flow of storm water is heavy the plant has not enough capacity to hold the sewage for a length of time sufficient for adequate treatment. At those times the overflow from the plant becomes raw untreated sewage and can be most objectionable. The location of the treatment plant also creates problems especially in warm weather and the odours do nothing to attract passersby to pause in Grimsby.

MAIL

TO RESIDENTS OF NORTH GRIMSBY — WEST END

The establishment of a Rural Mail Route out of Grimsby Post Office has been authorized by the Post Office Department.

This route can not start operation until all residents living along the route, who desire mail delivery, apply at the Grimsby Post Office and receive a form. This form they must fill out, sign and return to Postmaster Bromley. When a sufficient number of forms (60 per cent) have been signed and returned, then the route will be put in operation.

If you wish Rural Mail Delivery, which you have claimed you do, then obtain one of these forms and sign it.

Do It Today — Do Not Procrastinate

WM. MITCHELL,
Councillor, North Grimsby.

A full hatch consists of 6500 chicks, twice a week. Eggs hatch in twenty-one days. Nineteen of these days the eggs remain in the setter, the last two being spent in the hatcher. During the nineteen day period, the eggs are turned every six hours in the setters which are electrically heated and kept at a constant ninety-nine and three quarter degrees. Humidity is maintained at eighty-six degrees wet bulb thermometer.

Comes the time that the chicks actually break from their shells. They are immediately sorted, and in some cases shipped immediately. These chicks that require sexing are detained, until a trained sexer has completed this task, and then shipped.

Points of shipping from the Fleming Farms, might be anywhere from Newfoundland to Manitoba. For instance take the shipment of one hundred and fifty four week old white Leghorn pullets to Briggs, Newfoundland. All arrived safely with none dead on arrival, and the lady ordering these chicks was so pleased that she is ordering more this year.

This year Fleming Farms will produce more chicks than ever before in their history. New equipment, modern in every respect, plus a perfect understanding of the business, with regards to the needs, and wishes of the many satisfied customers will make this hatching season a busy one at the Fleming establishment.

Summing everything up, the Fleming tradition is expressed in this poem written by Miss Jean Culp, bookkeeper at Fleming Farms. It is titled—

Gossip

Two old neighbors
Having a chat—side by side
In the line fence sat.

Said one to the other:
"Now, what do you say
Is the very best method
To make chicks pay?"

The other replied:
"So says my wife,"
A chick is judged
By its Length of Life.

A healthy chick
Will live and then
Grow up and be
A healthy hen.

And the hens that live,
Produce and pay
Are from chicks hatched out
The FLEMING WAY.

NEW TORONTO

consist mostly of raised platforms with a covered roof and "selling lanes," in which the farmers may drive their trucks for protection from rain and snow.

Inspection has been made of terminal markets in Buffalo, Detroit, Cleveland and Kansas City and the best features of all these markets will be combined into the new Toronto terminal.

On its completion the terminal will probably be under the direction of a committee, but eventually it is hoped to have the project under the control of the distributors and farmers themselves.

It is explained that the terminal has been under study for the past 30 years. Dr. Fred J. Conboy, one-time mayor of Toronto, was very active in attempting to get the terminal established.

It is understood that distributors and farmers have at last been successful in reaching agreement and they will request the Ontario Government to assist in the financing of the scheme.

First requisite in preparing the site will be grading and leveling of the 45-acre tract, which is now mostly farm land. A large portion of the area comprises the old Frank Brown estate in Etobicoke township.

It is not proposed to immediately remove 16 houses at present located in the area in view of the housing shortage and it may be one or two years before the site can be entirely cleared.

The terminal is being constructed primarily in the interests of Ontario farmers and vegetable growers and the main object of the terminal is to decrease the present excessive distribution costs for perishable produce.

It is estimated that out of every dollar spent by the consumer for fruits and vegetables the farmer receives 40 cents.

BEAMSVILLE NEWS

I.O.E.

The Lena Davis Chapter, Imperial Order Daughters of the Empire, Beamsville, held its first literary meeting since pre-war days, on Monday afternoon Mar. 4th at three o'clock in the Kitchenette.

The meeting was opened by the singing of "O Canada" and repeating the Prayer of the Order. Mrs. Frank Thompson, the Regent took up the business of the month, then Mrs. Elmore voiced the appreciation of all the Chapter members to Mrs. Crest, who had so ably filled the Regent's Chair during the past year. Mrs. Shepherd then presented Mrs. Crest with a pot of Spring Blooms. Although taken by surprise Mrs. Crest replied in a few fitting words, wishing the Chapter continued success.

Mrs. C. C. Ramapo, Convenor of the Literary Committee then took the Chair, and welcomed the many visitors to the meeting, before calling on Mrs. L. B. Tufford, who gave a comprehensive survey of Current Events.

The Empire Study, Canada and the Empire was given by Mrs. Geo. Shepherd who gave an interesting condensation of "Canada Must Choose," by George Grant.

Miss Helen Tokiwa delighted her audience with two piano solos, which showed her command of the instrument, and Miss Marjorie Brown was very pleasing in her vocal selections, "In the garden of To-Morrow" and "Symphony."

Mrs. Creelman then conducted a short Quiz on Childhood Books.

The feature of the afternoon was the Book Reviews by Mrs. Harold Latham, who chose as her study H. V. Morton's "Women of the Bible." Mrs. Latham described the background of the Book, and gave in a most interesting manner some details of Morton's idea of a daring Eve and practical Sarah. Her paper was much enjoyed.

Mrs. H. A. B. Bartlett moved a vote of thanks to all who had taken part so graciously in the program.

After the National Anthem, a social half-hour was spent over the tea-cups. The teachers of the Public and High Schools were the special guests of the afternoon.

'Stuff Round Town'

The March session of village council was postponed until Thursday, due to the illness of Councillor Peter Robertson.

The Ex-Students' Dance scheduled for this Friday, promises to be a brilliant affair. A lot of re-newing of old acquaintances is always a big feature at ex-students' hops.

From all reports, a lot of the snow that disappeared so fast is in the basements of citizens about town. Some ditches in the Township could not handle the surplus water, and as a result a lot of rich fruit land is under water.

With the frost going out of the soil, lake shore residents fear a north-east wind, for as the soil becomes loose the waters of Lake Ontario wreck havoc with the banks. Wonder how long it will be before the Lake Shore Road will be closed all the way from Vineland?

Stan Gibson reports that the past week end was one of his busiest in years. Late Saturday night, the wet highway became very slippery, and as a result, "Gibby" spent most of the night pulling autos from ditches, culverts and other precarious positions.

Fortunately most of the eight mishaps were trivial, and damage was slight. Among those who ended up in ditches were Willard Book, Bill James, Mrs. W. H. E. Drury of Jordan Station, a Mr. Dick of Ontario St. Beamsville, and a Mr. Beamer.

A 1941 Mercury sedan owned by John Labatt Ltd., was stolen from St. Catharines between eight-thirty and eleven p.m. Saturday evening, and was found on the Queen Elizabeth Way east of Beamsville completely wrecked. The vehicle rolled over twice, and undoubtedly the occupant or occupants had a rough ride. No trace was found of the thieves. Provincial Constable Teddy Hope investigated.

According to the Niagara Fruitman, the Niagara-on-the-Lake Fall Fair is all washed up. Believed to be the oldest fall fair in Canada, only ten directors could be found at a recent meeting, and the constitution calls for fifteen. Attention Mr. M. Thompson, Beamsville Fall Fair-Lincoln County Fair at Beamsville. Which will it be?

Have you noticed that the barn at the rear of the old Fairfield property is no more?

Biggest news about town is the announcement of the proposed Old Boys' Reunion, which is supposed to be held sometime in August. A meeting was held Monday night for the purpose of electing officers, and these officers were elected—under a temporary basis. They include Dick Morley, F. L. Laundry, Harford Cox, and Harry Kennedy. Whether or not this reunion will amalgamate with the servicemen's banquet, is a matter that is really being raked over the coals at the present time.

We see no reason why there should not be a reunion, and also that an entertainment for the boys is of the utmost importance. After all, this is the practically only municipality that has not looked after this matter, and it should be attended to immediately. Whether or not the two factions combine is something which will have to be worked out, but it is to be hoped that the ladies of the district who started the movement for the April banquet receive the utmost co-operation from anyone and everyone concerned.

Propose Banquet For Servicemen

As was announced last week in The Independent, an organization meeting was held in the High School, for the purpose of electing officers for the proposed Old Home Week, which is to be held this coming summer in Beamsville.

The meeting was held, but considerable friction amounted over the question as to whether or not the proposed banquet for the servicemen should be held in connection with the Reunion, or as a separate venture.

The banquet situation has been hanging around for many months, ever since the War Services Committee made it known that they were disbanding, and would not be able to sponsor the banquet. A short time ago, the Woman's Institute started the ball rolling and enlisted the aid and co-operation of all the other ladies' organizations in the district, and are at present going ahead with plans for a banquet and presentation for the servicemen, to be held in April.

The surprise announcement last week of the proposed Old Boys' Reunion, has started much controversy, and it remains to be seen as to how the whole affair will be handled.

A meeting is being held this Friday night at the Council Chambers by the organizations who will be co-operating for the banquet, and a definite answer to the problem should be forthcoming.

Lake Shore Items

Lake Shore School was the scene of a successful Crokinole party Thursday night, with eight tables in play. Emerging as winners of the bruised finger sport were:

Ladies high—Mrs. Lorne Hill.

Ladies low—Mrs. Lorne Honsberger.

Gents high—Jim Allan.

Gents low—Allan Parker.

Chair Prize—Harry Parker.

Mrs. Fred Culp announces that on March 7th a euchre party will be held in the Lake Shore School, and the public are cordially invited to attend.

Mr. and Mrs. Wesley Bowers celebrated their 44th wedding anniversary last Tuesday, Feb. 26th, and many calls of congratulations were received by the well known Lake Shore residents. The Ladies Club presented the couple with a suitable anniversary gift.

National Employment Service

benefits THE WHOLE community

Regular employment and pay envelopes make for carefree families—for prosperous communities—for "good times" for employer and employee alike. The National Employment Service, with offices in more than 200 cities and towns across Canada, serves the needs of both employers and employees—and the local N. E. S. office takes its place in importance to the community among the time honoured community institutions—the Post Office, the Court House, the City Hall

Without National Employment Service, the worker is left to his own initiative to find a job to support himself and his family. The employer may be unable to reach workers he requires. National Employment Service is the clearing house through which employer and employee are brought together, so that both may have their free choice of the entire employment market.

National Employment Service has 5 main functions:

- 1—Organisation of the whole employment market, and bringing together employers and employees;
- 2—Collection of information on employment problems for the use of Government, Management and Labour;
- 3—Administration of Reinstatement in Civil Employment Act;
- 4—Dealing with Unemployment Insurance Benefits;
- 5—Dealing with Out-of-Work Benefits for Ex-Servicemen.

Make full use of the Local Office of National Employment Service. It is there to serve your needs, and those of the entire Community.

RED CROSS WORK continues

Only your continued support of the Red Cross can ensure that the splendid work being done for our sick and wounded veterans will be kept up. Your support will make possible such vital peacetime works as the upkeep of Outpost Hospitals, the Peacetime Blood Donor Service, Nursing Services, Disaster Relief, the Visiting Homemaker Service, the Junior Red Cross, and many other services for the social betterment of our people.

There will be no Red Cross drive for funds this year. Your continued membership in the Red Cross is all that is asked. Minimum membership fee is one dollar. Your local Red Cross Branch will provide you with further details.

Join the Red Cross

THE CANADIAN RED CROSS SOCIETY

ONTARIO DIVISION

C. BRUCE HILL, President

Social Events — Personals — Organizations — Club Activities

Dave and Mrs. Bell and children of Toronto were Sunday visitors in town.

Mr. and Mrs. Alec A. Young are spending a month in Victoria, B.C.

Mrs. Ted Fisher and son Jimmy are spending the week in Peterboro with her parents.

Mrs. Nellie Rutherford has joined her husband at Chalk River, Ontario, for a month or two.

Mrs. Lyle Kennedy Stuart, of Toronto, is the guest this week of Professor A. W. and Mrs. Mason, 1 Nelles Blvd.

Ross Hermiston of Sterling visited with his parents Andrew and Mrs. Hermiston, St. Andrew's avenue, over the weekend.

Capt. James Jenkinson, recently discharged from the army, has returned to his position with The Canadian Bank of Commerce, in the Grimsby branch.

After a five months' siege of illness E. W. Graham is able to be out and around town again. It is good to see "Red's" smiling countenance coming down street.

The East End Red Cross will meet on Monday, March 11th, at 2:30 p.m., at the home of Miss Olive Kitchen. An effort should be made to bring in all sewing and knitting.

The pre-St. Patrick's day dance under the auspices of St. Joseph's church, will be held in the Village Inn on Friday evening, March 15th. There will be door prizes, special prizes, good music, excellent buffet luncheon and many other novelties.

Mrs. A. W. Mason, Grimsby, former Guelph resident and highly esteemed member of the Presto Music Club Executive, was a welcome visitor to Guelph last Friday for the Thibault Sarnoff Concert. While there, Mrs. Mason was the guest of Professor and Mrs. W. M. Drummond, College Heights.

The Ladies' Guild of St. Andrew's church held a very successful bridge party at the home of Mrs. Thomas Liddle, on Thursday evening, Feb. 28th, at which over 70 people were present. Prize winners were Miss Marjorie Lucas, Mrs. Russell Terry, Mr. Fred Taylor and Mr. H. J. Gillespie.

Welcome

West Lincoln Births

March 1st—To Clarence and Mrs. Graham, Grimsby, a baby girl.

March 5th—To Major and Mrs. Harries, Grimsby Beach, a baby boy.

March 6th—To Hedley and Mrs. Robbins, Beamsville, a baby girl. (Stillborn)

Judith Watt, of Toronto, is visiting with her grandparents, Rev. and Mrs. W. J. Watt.

Rev. Orville M. Getty, missionary on furlough from India, will be the guest speaker at an open meeting of the Evening Mission Circle on Tuesday, March 12, at 8 o'clock in the Baptist Church.

The Annual meeting of the Grimsby and District Red Cross Branch will be held in Trinity Hall on March 30th, at 2:30 p.m. for the receiving of the yearly reports and the election of officers.

A district Youth For Christ Rally will be held in the Presbyterian church, Smithville, on Friday evening, March 8th, at 8 p.m. Rev. McRoberts, M.A., M. Th., of Cooke's Presbyterian church, Toronto will be the speaker.

Dr. and Mrs. Russell Beckett, of Ottawa, were weekend guests of Mr. and Mrs. Victor Thompson, Dr. and Mrs. Beckett recently purchased the home of Mr. Cret in Beamsville and will move into their new home in June.

Nuptials

FORESTER—KEMOE

The wedding took place in St. Joseph's Church, Grimsby, at 10 o'clock on Wednesday morning February 27, when Margaret Mary, daughter of Mrs. Patrick Kehoe, of Halifax, Nova Scotia, became the bride of Mr. William E. Forester, son of Mr. and Mrs. A. W. Forester, Grimsby. Rev. E. A. O'Donnell officiated. Mrs. John Vooges played the wedding music.

Given in marriage by an uncle of the groom, Mr. Herbert Forester, of Waterloo, the bride wore white net over satin, with long veil falling from a coronet of sweet peas. She carried an orchid nosegay. Miss Mary Krupa, her attendant, was gown in blue net with short veil, with a coronet of sweet peas, and carried sweet peas and carnations. The best man was Mr. Neale McBride, of Hamilton, and Messrs. Arthur Forester and Grant Duffield ushered.

A reception for 40 guests was held at the home of the groom's parents, his mother receiving in grey with a corsage of red roses. The bride's sister, Mrs. Carmen McBride, of Stratford, in navy with white trim, assisted in receiving.

For the wedding trip to Niagara Falls and Cleveland, Ohio, the bride wore a brown suit and coat, with a jack-in-the-pulpit corsage.

NEALE—SMITH

The wedding took place Saturday afternoon, Feb. 23rd, in St. Andrew's Anglican Church, Grimsby, of Charlotte Kathleen, daughter of Mrs. Cora Smith, Grimsby, and Mr. Godfrey Harding Neale, son of Mrs. Neale and the late Mr. Robert Neale, of Grimsby. Rev. E. A. Brooks officiated. The service was choral.

Given in marriage by her brother, Mr. Russell Smith, the bride wore a gown of white slipper satin and a long veil draped from a beehive of orange blossoms. She carried red roses. The matron of honour, Mrs. R. Gregory, sister of the bride, was gown in white net, and the bridesmaids, Misses Alice Neale and Phyllis Duffield, in flowered voile and white crepe, respectively, with white satin sequin-trimmed caftans with shoulder veils. They carried spring flowers. Mr. Robert Neale was best man, and Messrs. Robert Gregory and Alexander Neale ushers.

A reception for 50 guests was held at 4 o'clock at the home of Mrs. Robert Gregory. The mother of the bride wore a green wool suit, with black accessories, and the groom's mother was dressed in black and white with black accessories. Their corsages were of mixed flowers. The bride cut the wedding cake with a bayonet, a souvenir of Germany.

For the wedding trip to northern parts of Ontario, the bride wore a green wool frock, with brown fur coat. They will reside in Grimsby.

WILSON—BELCOT

On Saturday morning, March 2nd, Lillian Catherine, younger daughter of Mr. and Mrs. Joseph Belcot, St. Ann's, was united in marriage to Mr. Herbert Wilson, son of Mr. and Mrs. Sydney Wilson, of Detroit, Mich., in St. Joseph's Church at Grimsby, by Rev. E. A. O'Donnell.

The bride wore a princess gown of white satin, with short train and sheer insertions at the neckline. Her finger-length veil of embroidered tulle fell from a braided tiara, and she carried white roses. Her bridesmaid, Miss Agnes Serba, was gown in pink net and carried pink roses. Mr. Joseph Belcot was best man. A reception was held at the home of the bride's parents, with Mrs. Belcot receiving. She was assisted by the mother of the groom, Mr. and Mrs. Wilson will make their home in Windsor.

MARKEY—MACFARLANE

In St. Patrick's Church, Hamilton, on February 16, the wedding took place of Mary Margaret, daughter of Mr. and Mrs. C. MacFarlane, and Mr. William John Markey, son of the late Mr. and Mrs. W. C. Markey, Jordan, Ont., with Rev. Thomas Brennan officiating.

Paris Angelica and On This Day, O Beautiful Mother, were sung by Miss Mary McCartney, accompanied by the organist, Mrs. C. W. McManamy.

Wearing a white satin gown and long veil caught to her head with a halo of orange blossoms the bride was given in marriage by her father. She carried Better Times roses. The Misses Patricia

Bridal Couple

Miss Margaret Mary Kehoe, daughter of Mrs. Patrick Kehoe, Halifax, Nova Scotia, and Mr. William E. Forester, son of Mr. and Mrs. A. W. Forester, Grimsby, whose wedding took place February 27th. The groom recently returned from overseas after three and a half years' service.

Palmer, Dorothy MacFarlane and Jean Palmer were bridal attendants. Gowns of pale pink, powder blue and yellow taffeta were worn by them, with matching head-dresses, and they had nosegays of pink and yellow roses, sweet peas and forget-me-nots. Mr. Mark Markey, Grimsby, was best man. The ushers were Mr. John Markey, Oakville, and Mr. Wendell MacFarlane, Hamilton.

Pat-a-Kake

A Makeup Foundation that's GOOD for the Skin

Two years of exhaustive research resulted in the discovery of this formula—modern, scientific laboratory resources perfected it...NOW, and only now,

Elizabeth Arden announces PAT-A-KAKE, the ultimate in a Makeup Foundation...a sensational new development in beauty. PAT-A-KAKE gives a younger, smoother, softer-looking skin AT ONCE...helps to conceal blue eyes, freckles, fine lines...has a lasting, beneficial effect...no artificial, ready-to-crack, heavily coated look. PAT-A-KAKE is easily applied, easily removed, leaving the skin actually fresher, prettier than before.

Five wonderful shades to complement every complexion. Price 1.25

DYMOND'S

The Rexall Drug Store

Telephone 69 — Grimsby

There were 35 guests present at the reception afterward, at The Emerald-Main. Assisting the bride's mother in receiving was the groom's aunt, Mrs. L. A. Markey. The bride's mother wore grey with black accessories and bouquet of Happy Day roses, while Mrs. Markey was in printed grey and mauve, her corsage being of pink roses.

After a honeymoon to Montreal, the couple will reside in Hamilton. The bride wore for going away, a black and blue crepe frock, black coat and hat trimmed with Persian lamb, with black accessories.

St. John's W.M.S.

The Women's Missionary Society of Beamsville, Smithville, Stoney Creek and Grimsby Presbyterian Churches will hold a joint meeting in St. John's Church, Grimsby, on Thursday March 14th, at 2:30. This meeting is in connection with the Presbyterian Advance for Christ and Peace Thanksgiving. Speakers from Council will be Miss Frieda Matthews, Field Secretary, Miss Lily McArthur, Children's Work Secretary, and Miss Scott, Young Women's Secretary. Members please come and bring your friends.

Beaver Club

The regular business meeting of the Beaver Club of St. John's Church was held Monday evening, March 5th. In the absence of the President, Mrs. D. E. Anderson occupied the chair. Routine business was disposed of. It was decided to hold a Spring Tea sometime in April at the home of Mrs. Andrew Smith. Shuffleboard was enjoyed after the meeting, and lunch was provided by the Hostesses of the evening, Mrs. F. Hitchman, Mrs. M. Gunning, and Mrs. A. Henderson.

Eastern Star

The Officers and Members of Grimsby Chapter No. 195, O.E.S., met in the Masonic Hall on Tuesday evening, March 5th, for their regular meeting, with Mrs. Letha McInch, W.M., presiding, assisted by Mr. Herbert Betzner, W.P. It was decided to hold an open euchre and bridge in the Masonic Hall on Tuesday evening, March 19th. A social time followed, with Mr. H. V. Betzner winning a lucky draw. Hostesses for the evening were Mrs. L. Hyatt and Mrs. J. O. Moore.

St. John's L. A.

On Thursday, Feb. 28th, the Ladies' Aid of St. John's Presbyterian Church held an afternoon tea, sale of aprons and fancy work, at the home of Mrs. W. West, and it was a great success. The Ladies took advantage of the sunshine, after so much snow and stormy weather. Mrs. Grant poured tea at the table in the diningroom; the table was decorated with spring decorations. Mrs. Morris, Mrs. Shearer, Mrs. McKenna, Mrs. West, and Miss Phillips, served. The apron and fancy work table was presided over by Mrs. Cytindan and Mrs. Hermiston, and was a great success.

After the dairy lunch was served, a Birthday cake, with lighted candles, was brought in by Mrs. Grant, who, on behalf of the Ladies' Aid, presented it to Mrs. Hermiston on her 50th birthday. All present then sang "Happy Birthday to You", and united in wishing her many happy returns of the day.

The March meeting is to be held at the home of Mrs. J. Dick, Livingston Ave., on Thursday, March 7th.

Brownies

The Brownies have had a very busy month. At the meeting of Feb. 5th, we were pleased to have with us Mrs. Hewitt, a blue cord diploma guide from Dominion Headquarters in Toronto. The Junior Brownies worked on their knots with Mrs. Hewitt's help and the Brownies working for their Golden Hand received help with the compass. Some interesting new games were also introduced.

The meeting of Feb. 12th, was an industrious one, the children hemming and learning the alphabet in semaphore.

Boy Scout's Girl Guide week was started with all Brownies attending their town churches.

The regular meeting was held on Mon., Feb. 18th, and everyone went skating. On arrival at their fairy home the Brownies discovered Brownie-landed by Mrs. E. Baxter and Mrs. Burgess of the 25th I.O.D. Girl Guide committee had produced lovely supper for them.

On Feb. 26th the Brownies working on their semaphore were surprised with some new flags. Brown Owl had brought from Headquarters.

A new dancing game was enjoyed by all and meeting closed with taps.

Wmen's Auxiliary Of West Lincoln

Office for the Grimsby branch, Women's Auxiliary West Lincoln Memorial Hospital, re-elected at the annual meeting held yesterday afternoon in the Masonic Hall, are: Mrs. K. A. Ramsay, president; Mr. Ann Crane, secretary-treasurer; conveners of committees, Mrs. James Walker; Ways and Means, Mrs. Hugh Whyte; maintenance, Mrs. C. J. Delaplane; visiting, Mrs. F. Fitzgerald; flower, Mrs. Edric Johnson; comfort and extras, Mrs. William Hewson, decoration.

All reports revealed a very creditable showing, with \$64.33 raised through the year, of which \$335 had been given to the hospital board to assist in the maintenance and up-keep of hospital effects under their care. While the hospital had a large supply of essential needs, Mrs. Ramsay said there are still several small items needed and it was voted that these be obtained.

The president moved a vote of thanks to Miss Marion Pettit for the use of her home all summer for sewing; to those who loaned sewing machines; to the Beamsville and Smithville branches for huge supplies of all kinds, and to Winona for 15 bedspreads and 6 pair flannellette blankets.

The annual meeting of all branches will be held in Beamsville on Thursday afternoon.

Around The GRIMSBY High School

JANIE

A large audience watched the Dramatic Club presentation of "The Bishop's Candlesticks" and "Murder by Morning" on Monday evening. The Bishop's Candlesticks is a play adapted from Victor Hugo's "Les Miserables," the period being early in the nineteenth century. The cast was composed of Ian Marr as the Bishop, Douglas Bedford the convict, John Eaton, Persone, Madeline, Pogachar, Mar, the little maid and Havelock Jewson the Sergeant of the Gendarmes. Murder by Morning is the story of a modern author who becomes weary of grinding out mysteries. Those in the cast were: Don Gardham as Herman Winkle, Allison Jeffries, Sheila O'Connor (his secretary); Don Mogg, Mr. Magnon (the big bold publisher); Betty Hand, Anita Anderson (the spoiled debutante); Steve Smereck, Van Patten (Anita's volunteer protector). The program ended with the Glee Club singing the songs sung in Toronto at the Kiwanis Festival. Everyone was well pleased with both plays and music, and they left praising the casts immensely.

An excited group of sports fans watched the first semi-final boys' basketball game on Friday in the gym. The game was against Ft. Erie who won with the score 50-30. Ft. Erie boys, who were very tall—the average height being six feet—moved ahead in the first period leaving G.H.S. far behind but the last period was fairly even.

The game with Beamsville boys was much more interesting as far as scores are concerned—we won 51-10. G.H.S. completely outplayed B.H.V.S. and near the end of the game the cry went up—fifty or nothing!

Third form's sleighing party was held at the school, because the blizzards that blotted out during the week, blew over. A certain new member of this class was introduced to plenty of fun as on this eventful eve. That re-headed playboy was really popular with two of the girls but the made a good Barber shop trio. A new version of "Blind Man's Bluff" was one of the successful games of the night. After hot dogs and coco were served the party broke up with the giving of three cheers for their teacher.

BACK STAGE

"Is Doug Bedford here yet," I ask "Is my lipstick on straight—this is first hand course." All this fuss went on in a conglomeration of cigars, peanuts and gum. Miss Gray, the staff director remained calmed collected while Art Bryden, stage director was tearing a hair out. But everything went over fine even with the intermission of rehearsals with basketball games and the fix.

QUIZ

—What fourth form R.O. was "Waiting for the Train" Come in "Sunday night?"
—Who was the G.H.S. who rushed into the P.O. but not her mail?
—Who is the little lass who doesn't like hamburgs, she prefers STEW?
—Which third former is going for astronomy—studying Marvo?
Utopia must be the place where a man can earn more money than his family can spend for him.

Births

HARRIS—On Tuesday, March 5th, to Major and Mrs. M. R. Harris, a son, at West Lincoln Memorial Hospital, Grimsby.

JOSE—At Niagara Falls hospital, on Wednesday, Feb. 27th, 1946, to Mr. and Mrs. William A. Jose, (formerly Madeline "Madge" Crett) a son, (Alan Richard).

Card of Thanks

We wish to extend our sincere thanks to Rev. Mr. Standerwick of the Grimsby Baptist Church, Rev. Mr. McAvoy and all the other members of the Canadian Legion for their kind assistance in our recent bereavement. Also all who loaned cars.

Mrs. Mary L. Cornwell
Mrs. E. W. Cornwell and family.

My husband I wish to express our sincere thanks to all the folks of the Lower Thirty, and all others who so generously donated towards the replacement of the \$96.00 stolen from me during the recent robbery. A very special thanks to Mr. Alex Parker and Mr. Harry Crowe who took such a personal interest in collecting donations, and to Mr. and Mrs. J. Stevenson who have made me so welcome in their home during my husband's illness.

Mrs. Wm. Palk.

Obituary

MRS. W. E. SMITH

Mrs. William E. Smith passed away at her residence, 200 Main St., West, Tuesday morning, Mar. 5th in her 88th year.

The daughter of the late Joseph and Emeline Upper. Born in Allandale, Ont., May 19th, 1858.

She had been a resident of Grimsby for 45 years.

Married at Grimsby, Oct. 22nd, 1902 to William E. Smith.

Surviving are her husband, one daughter, Mrs. Lloyd Pettit, two brothers, Louis Upper of Tiplant, Mich., and Chas Upper of Fort Erie, Ont.; two grandchildren, Donald Pettit attending O.A.C., Grimsby, Ont., Wills Pettit, nurse in training at Hamilton General Hospital.

Remains are resting at her late residence for service on Thursday at 2:30 p.m. Interment will be in Queen's Lawn Cemetery.

CORP. EARL W. CORNWELL

Last obsequies were held on Friday afternoon, for a soldier and a man, when with due Canadian Legion honors, Corp. Earl W. Cornwell, was laid to rest in the family plot in Queen's Lawn cemetery.

A large number of people, other than Legion members attended the beautiful but simple services in the St. Joseph's Funeral Home, conducted by Rev. R. C. Standerwick of Grimsby Baptist church and Rev. Francis McAvoy, Padre of the Legion.

Floral tributes, which had been gratefully declined, were not numerous, but they were beautiful, being from family, Legion and organizations that he had served well in civilian life.

At the graveside the simple but impressive service of the Legion was conducted by Comrade President George Marr and Padre Rev. Francis McAvoy. Buglers Philip and Forester sounded "Taps" over a fine fellow and a great soldier.

A lieutenant and four returned men of the R.H.L.I. attended the services.

Honorary pall bearers were: ex-Mayor Edric S. Johnson, Earl J. Marsh, Thomas Warner, Edward Reeker, Howard Caudwell, Wm. J. Schwab.

Active pall bearers were: Major L. A. Bromley, M.M., Herbert Lindenmuth, Albert Dipper, Oliver Shaw, Clarence Shelton, Cecil M. Bonham.

Medal Bearer, Staff Sgt. George Warner.

Cubbing

After the opening ceremonies and grand bowl around the totem pole at last Friday's meeting, Albert Mitchell with his second star and as is the custom when a cub has proved himself in the ways of the jungle and has "both eyes open" he renewed his promise given upon his investiture. Nicky Hoag received his guide badge and Billy Tennant the collector badge.

A shipping relay was practiced and the various jungle dances reviewed. The dances were later portrayed around the camp fire.

As Helen looked after dues collection the stars were busy brushing on knots and passing tests. Trick bid farwell and "good hunting Rupert Hatter who leaves school makes his home in Galt.

The meetings with music call and prayers.

"Love Letters" Coming To Roxy

The important thing about Paramount's Hal Wallis production, "Love Letters" which comes to the Roxy Theatre, the first three days of next week, is that it is an unusual romantic drama with such stars as Jennifer Jones and Joseph Cotten doing some highly tactical theatrical maneuvering. Both roles, according to previewers, call for expert acting and certainly the above-mentioned players are well qualified to handle the most difficult parts. Expertly directed by William Dieterle, the cast also includes Ann Richards, Anita Louise, Cecil Kellaway and Gladys Cooper.

Many movie fans will recall that Jennifer won the Academy Award for "The Song of Bernadette," her first motion picture role. Then came "Since You Went Away" which teamed the versatile young actress with Joseph Cotten. But then she played the part of an adolescent. In "Love Letters," Jennifer is a mature woman who knows adult love.

The love story of these two stars recreates on the screen is indeed a strange one. Brought together by love letters which Cotten wrote for another man, Jennifer loses her memory following the death of her first husband, played by Robert Sully. A fantastic tale comes to light in the dark shadows of an old house where the murder of an old man Jennifer thought she loved took place. Bewildered and disillusioned, she painfully threads her way through the tangled labyrinth of a forgotten past which Cotten slowly and tenderly helps her reconstruct.

Numerous commentaries indicate that theatre-goers will find "Love Letters" a thoroughly satisfying screen experience.

There will never be a brotherhood of mankind as long as one is unable to answer the prime radio question.

Stiller said that he would leave his spirit to haunt the world. But we bet the old Charlie Chaplin moustache is missing.

Notice is hereby given that By-Law No. 544 will be passed by the Council of the Municipality of North Grimsby when Section 408, sub-section 1 A has been complied with.

Thos. W. Allan
Township Clerk.

Ice Is Slushy Kings Are Slow

The Paris-Grimsby game Friday night, played on the slush of the Paris arena is just a wasted effort for all concerned. The two all score means nothing, and as it stands now, the Kings are leading the series by one to nothing.

What I should like to know is why the powers that be, allowed the game to start on the ice surface at Paris? Why wasn't the game played in Brantford or Galt?

Certain things should be taken into consideration. Naturally the slow ice hampers both teams. But on the other hand, the Kings are a fast skating team, depending on speed for their breaks and also back-checking. Paris is slow. Panning was an impossibility Friday night and carrying the puck was a feat that was abandoned early in the game. The only course for the players to use was to bang the puck in the general direction of the opponents' nets. A set of golf clubs would have come in handy.

Peter The Great Tallman picked up the first goal of the game at the fourteen-fifty mark in the first frame, on passes from Whitfield and Duffield. The second period went scoreless.

In the third, Wilson and Hayward ganged the Kings goal and scored with Clancy in the cooler. Five minutes later Hayward kicked in another counter for Paris, which Red Dunn allowed as a legal goal.

Clancy moved the Kings from defeat by scoring the equalizer in

the late stages of the third period. The next ten minute overtime period was a mad-house. Both teams were dead tired, and the slush was really getting thick. Paris snipers hit the post and the top strand of the Kings net, and although the Paris jerk in charge of the red light turned the "goal scored" sign on twice, Red Dunn ruled otherwise. Which made this boy about as popular as snow bank in July.

The overtime finished scoreless, and the risk became a seething mass of irritated Paris fans, and disappointed followers from this district, filed out of the swamp to board their respective vehicles. Test finale.

SPORTOLOGY

(By Bones Livingston, Sportologist)

WILL HESTER / REPEAT—Mutual Street Arena, Tuesday night March 3rd, 1923—were four-earves" sat a coterie of gorgeous PEACH GRETHOUGHS. Vivacious, willowy one particular group. Sitting next to a PEACH. The brunette brunette was a middle-aged gentleman who his remarks about "POP" Malm not. Through the first two per-Grimsby ear. In that hectic, raging CAR were not too pleasing to a GRETHOUGHS were torridly trying seelstrom of a third period when ALLAN CUP, and being slapped arcos save their hides and the aged gent from the Ottawa Valley wamed by the KINGS, the middle-remarks about that spindly-legged, go casting some very disparaging the Rendrew country. The beautiful brunet-necked clothes prop from brother the "lid blew off of Hell." She gave stood it just so far and couple of clips in the smoot that could be heard. Middle-aged gent a lashed him fore, aft, port and starboard. He beat block and her tongue months later he was her father-in-law. Cupid -d a hasty retreat. Three night. . . . 21 years ago tonight—Thursday, March 5th, 1925—Mutual Street Arena. The two greatest teams that the Niagara Falls peninsula produced, or ever will produce are meeting. PEACH KINGS, managed by ARCHIE DIXON. NIAGARA FALLS seniors, managed by that weltering, sweetering game, CATARACTS were fresh from a week's rust. KINGS had just come out of the GRETHOUGHS net-to. Game 7th, 1925. The same two teams are on the ice. Wotta game. Wotta game. 15 minutes gone in the first period, SIEBERT gets McVICA. Middle of the second period the FRASER-KITCHEN defense give CARSON the railroad. Result a dislocated shoulder. He finished the game with one arm working. Game over, PEACH KINGS win 4-3, but loose round by 7-6. Time Marches On.

WILL YOU PLEASE HELP THE CAUSE—If you happen to have an extra pair of shoes-laces hanging around the house that you are not needing, either bring them or send them to the ARENA. Your old friend THOMASINE WARNER is badly in need of them. This is, if he succeeds in getting the pair of boots that he purchased last week. At any rate the person that sold (?) them to him had a good seat at the minstrel show. . . . When PUD REID led his four goal defeated BEAMSVILLE team out of Cayuga the other night he was chewing railroad spikes. PUD must have forgot about the night that he led the old PEACH KINGS to a 53-0 victory over poor little Cayuga and scored 17 goals himself. Not bad for a scoreless wonder. . . . TUFFORD THE EARL, a former PEACH KING, now with Thompson Products, St. Catharines is developing into a pretty fair hockey scout. Also noted at the PARIS-KINGS game was that well known ivory hunter from FORT COLBORNE and a couple of wise owls with TIGERS written all over them. . . . So the wise boys lost their dough. Never know a gambler yet that could give you a definition of loyalty. Of late years they have got so that they are not even honest with themselves. Let them keep on betting the way they are betting and they won't even have a pair of shoelaces come their birthday—April Fools Day. . . . I take my straw hat off to the little BLUE BELLS of the Bell Tel. Co. those long distance operators that get the news, period by period, through from GORD. McOREGOR. The INDEPENDENT sports writer and myself. Those little girls have done a great job all winter and it is going to be heavier from now on. But they can handle it. . . . There was plenty of excitement at THE BOWLAWAY last week. A little girl by the name of JOSEPHINE KANSKI came down off the Ridge Road west and broke a two-year-old record on the local alleys. Two years ago HAMMY FOX hung up a high individual score of 489. It stood the test of time until last Friday. JOSEPHINE had nine straight strikes and a spare and a strike in her last frame to hang up 413. She is not a player on any team and only gets a chance to bowl when there are open alleys. Congratulations. . . . GAS HOUSE are the undisputed champions of No. 1 group of the MEN'S LEAGUE. Looks like GENERALS will be the winners of No. 2 division. If so the two teams will meet in the finals for the GLEDHILL AND INGLEHART CUP next week. After that the boys go into a five weeks play-off series for the cash dough. Should create a lot of fun. I doubt if the GAS HOUSE can take the GENERALS for the silverware. If they do everybody in Calstar will hear about it from GAS RAHN. . . . LITTLE WHIZZER had another 741. . . . RUSSELL TERRY is getting good. He had a 79-162-95. . . . That was a nice score of HEP CAT MARUCCI, 223-333-282 for a 766. . . . Since OLIVER DERIKSON SHAW became a landed gentry he has perked up. Had a 217-345-285 for a 747.

I'VE SWEAT MY LAST DROP OF BLOOD—It has been a tough winter to sit at home and wonder what the PEACH KINGS were doing out there on the ice. At home. Away from home. I have sweat enough blood this winter to give transfusions to 30,000 soldiers. I am not going to sweat any more. From now on I am in the ARENA and I will be in the away from home ice factory. I have kept out of the refrigeration plants on account of the cold on my leg. But the strain has got too much. I ordered eight gallons of Rheum Lintment from Diamond's drug store yesterday. So the next time you are in a risk and think you are standing next door to a horse stable you will know it's me. If the cold is going to kill me, then I might just as well pass out with the PEACH KINGS as any other way.

IN THE PLAYOFFS—On Saturday morning last, the first of the two game series to decide who would meet in the finals for the Championship of the local Lion's Miniature Hockey League were held in the Grimsby Arena. The series is based on a total goals to count. Detroit and Maple Leafs met in the opening game and Detroit were lucky to end up with a tie. Maple Leafs had a two goal and then a three goal lead but were unable to hang onto the same. These two teams will go at it again in the second game come Saturday and a winner must be determined. The second battle was between Canadians and N. Y. Rangers and although Canadians managed to get the odd goal advantage in a 4-3 score, there is grave doubt as to whether this will be enough of a margin to enable them to get into the finals. Rangers are definitely going to play wide open hockey and the latest report is to the effect that they expect to send Canadians into the discard. In the Minor Series Pittsburgh whitewashed Syracuse by a 4 to zero tally. Although defeated Syracuse did not look this bad and in the sudden death final are expected to give a much better account of themselves.

Schedule for Saturday, March 9th.

9 a.m.—Maple Leafs at Detroit.

10 a.m.—Canadians at N. Y. Rangers.

Total goals in the two games to decide the finalists. All players' certificates must be on hand for inspection.

The final games to decide the championship in the two series will consist of a sudden death game in each section. These games to be played in the evening on a date to be decided. Announcement re these championship games will be carried in the "Independent", if at all possible and in the event that the same is not possible, notification will be given 24 hours in advance through the School.

SKATING!

Saturday Night GRIMSBY ARENA

Beamsville Falls Before Cayuga

Cayuga eliminated the Beamsville Hockey Club in two straight games, by scores of seven to three and six to two.

Cayuga is undoubtedly the superior team, but the Beamsville boys put up a fair show in keeping the scores as low as they were.

It would appear that Cayuga play a hard rough game, and their defense consisting of two of the Hodgson brothers caused considerable worry and strain as well as bruises to the losers.

The old story of play the puck and not the man is not the motto of the Hodgson boys, and it is common knowledge that guys like Dutch Konkle and Shorthouse decided that shooting from the blue-line was the safest way out. That is poor hockey, especially if you've got the nerve to play in this league.

Doug. Lucy. Archie Moore and "Shorty" Lascelle looked good for the Beamsville team, while Ken Hodgson and R. Baird played well for the Cayuga Bruisers.

Summary:

First Period	
1. Cayuga—K. Hodgson	4:55
Pen.—Loche.	
Second Period	
2. Beams—Lascelle	56
3. Cayuga—R. Baird (W. Baird)	12:45
Pen.—R. Hodgson, Lucy (2), E. Baird.	
Third Period	
4. Cayuga—K. Hodgson	8:15
5. Beams—A. Moore (Lucy)	12:24
6. Cayuga—K. Hodgson	14:55
7. Cayuga—Spittle—(K. Hodgson)	15:20
8. Cayuga Blower (R. Baird)	18:20
Penalties—Konkle, K. Hodgson.	
Referee—Frank Elliott, St. Catharines.	

A middle-class family is the one that hasn't any playroom for the children. They just pile the furniture in a heap in dad's room.

Calvary W.A.

Young People's Meeting
The weekly Young People's meeting of Calvary Gospel Church was held Friday evening, March 1st at eight o'clock. After the singing of the hymn "Standing on the Promises," Mrs. Benson led in prayer. An "attendance contest" was arranged, and the two captains are to be, Mary Margaret Beer and Abe Jansen.
The leader for the evening was Mary Margaret Beer. The Scripture Lesson John 1: 1 to 10 was read by Lydia Wiebe. A trio number "The Beautiful Garden of Prayer," was sung by the Penner sisters. An interesting Bible Quiz was given by Eric Clayton. After a reading by Leona Frieson, the Penner sisters sang another number.
All joined in a Sword Drill conducted by Mary Ryckman, followed by the singing of some favourite choruses. The hymn "His Eye is on the Sparrow" was sung by Lena Albright.
Mr. and Mrs. Benson presented a dialogue entitled "After death, What?" taken from Job 14: 14.
After the singing of the hymn "At Calvary" the meeting was closed with prayer by Leona Frieson.

Trinity United

Major John W. Oliver, Chaplain overseas four years, and for one year on the hospital ship Letitia, is taking the services in Trinity United Church, Beamsville, this coming Sunday, while the Pastor Rev. W. C. Almack is convalescing following a tonsillectomy and sinus operation.
Communion will be taken at the morning service, and undoubtedly many will be out to hear the address of Major Oliver at the evening service.
MRS. G. S. KARR
A life long resident of Beamsville in the person of Mrs. Margaret May Cause, widow of G. S. Karr, passed away in hospital last week following a lengthy illness.
Deceased was born in Beamsville, and in earlier days was in great demand at local functions, for deceased was a very pleasing soloist, and her work in choir and at concerts was outstanding.
She was in later years a member of the Trinity United Church, and a life member of the W.M.S. She was also a member of the Lena Davis Chapter I.O.D.E.
Surviving is a daughter, Mrs. Charles Rittenhouse, Jordan Harbour; a sister Mrs. Court Thomson, Hamilton, and a grandson, Homer Rittenhouse of Jordan Harbour.
Funeral services were held from the J. W. Buck and Son Funeral Home, Saturday afternoon and was largely attended. Rev. W. J. Watt of Trinity United Church, Grimsby, conducted the service assisted by Rev. H. Godfrey of Vineland Station United Church.
Casket bearers were Messrs. Ernest Culp, C. P. Van Every, W. D. Fairbrother, David Robison, Court Thomson and Chas. Rittenhouse.
Interment was made in Mount Osborne Cemetery, Beamsville.

Baptist Church

Mission Circle

The sixty-ninth anniversary meeting of the Mission Circle of the Baptist Church was held in the Sunday School rooms of the Church, Tuesday afternoon.
The Devotional period was conducted by Mrs. Frank Dunmore, President of the Missionary Circle. An interesting high-light of the afternoon, was the summarizing of the Circle's sixty-nine years of activity and service which was given by Mrs. R. H. Kemp.
The special speaker of the afternoon was Mrs. Standenwick, who brought greetings from the Grimsby Circle, and gave an interesting address on Western Missions, especially in Alberta.
\$26.65 was raised from a special home mission offering.

Beamsville Girls

Bowling League

With one week to go before the play-offs, the Beamsville Ladies Bowling League recognizes the Aces as the winners of the regular schedule. Top honours for the high average is going to be a battle to the bitter end, with Doris Ransom and Ruth Mill tied up with a one eighty-one average.
Results of last week's bowling activities at Robinson's academy of tipping timbers are as follows:

Spitfires	616	706-0
Happy Gang	587	724-2
Business Girls	736	665-2
Lawn Bowlers	678	657-0
Merry Macs	513	708-1

"MAPLE SUGAR BUSH"
Based upon a picture painted for Carling's by H. W. McCrea, O. S. A., and one of a series of subjects on the conservation of Canada's natural assets.
★ A full colour reproduction, size 8" x 10", without advertising, and suitable for framing, will be sent to each member of The Carling Conservation Club upon request to Dept. (E13), The Carling Breweries Limited, Waterloo, Ontario.

"A Six Million Dollar Sugar Bowl!"

Unfailingly each spring the sap courses upward through countless maple trees—and with taps, kettles and firewood, the sweet yield is garnered and refined and brought to market, where it brings a \$6,000,000 yearly income to Canadian farmers.

This six million dollar sugar bowl refills itself with maple products each year because the men who operate it understand the powerful significance of the word "Conservation". Do you realize how vital that word is when applied to the vast forest resources which provide a large part of Canada's wealth?

If these forests are to remain the basis of our third largest industry, they must be protected from fires, insect depredations and unwise cutting.

They can only be protected by an awareness on the part of every Canadian of the needs and methods of conservation.

By joining The Carling Conservation Club you can learn the part you can and should play in the protection of Canada's vast natural heritage. *Membership is free and will bring you interesting and authoritative information on conservation as it becomes available. Address your letter to Dept. (E13), The Carling Breweries Limited, Waterloo, Ontario.

CARLING'S

THE CARLING BREWERIES LIMITED

Beamsville Men's

Bowling League

The semi-finals of the Beamsville bowlers was full of surprises, with two decided upsets registered.
The league leading Lincolnares lost out to the fourth place Hydro entry, dropping the three game, points to count by eleven pins. Hydro took a forty-eight point lead in the first tilt, increased it to a one hundred and thirty-six point lead in the second tilt. The third saw the Lincolnares come back with a strong effort scoring a neat 1097 game, which fell just eleven pins short of equalizing the lead the Hydro had built up.
Jordan were decidedly off as the Beginners from Vineland whipped them by 208 pins on the three games. Nort Strong's entry was really bad, as the Beginners bowled a steady game to take the round.
The final contest saw the Wildcats eliminate the Hornets in three straight games, winning by a wide margin. The score shows that Hornets scraped up only 2528 for three, compared to the Wildcats 2819.
And so it's Wildcats, Hydro and Beginners in the finals, two of these teams will bowl next Monday night, and the winner will bowl off with the third team the following week for the championship.

Beamsville Girls

Bowling League

With one week to go before the play-offs, the Beamsville Ladies Bowling League recognizes the Aces as the winners of the regular schedule. Top honours for the high average is going to be a battle to the bitter end, with Doris Ransom and Ruth Mill tied up with a one eighty-one average.
Results of last week's bowling activities at Robinson's academy of tipping timbers are as follows:

Spitfires	616	706-0
Happy Gang	587	724-2
Business Girls	736	665-2
Lawn Bowlers	678	657-0
Merry Macs	513	708-1
ACCS	608	707-1

Beamsville Boy

Scout Troop

by J. Hodges, P.L.
News is a wee bit scarce this week because your reporter spent an uncomfortable twenty-four hours at the bottom of a very deep snowdrift down Vineland way when the troop was meeting in Beamsville. Here are the items available at the moment.
The day of the annual Lions Club dinner for the members of the Beamsville Scout Troop is fast approaching and the spirit of anticipation is making the rounds. A dinner is a dinner at any time but when it is coupled with a friendly, helpful recognition of the scout as an important cog in the machinery of the community we feel pretty good about the whole affair. What your appetites, Scouts! (Imagine an un-hungry Scout.)
There is a move under way for a bit of re-shuffling in the troop to make way for the promotion of younger Scouts who fall in the earnest, hard working class. Several of the older Scouts whose arms are bowed by the sheer weight of their badges will step aside and become sort of an unofficial advisory committee. There will be some shiny, new patrol leaders soon.
In the meantime, Scouts, bring out some new faces with boys attached and we'll make scouts of them in a hurry. The boy and the Troop will benefit as each new Scout dons the uniform. Be seeing you.
A sucker is one who fails for most any kind of attractive line.

LAWN MOWERS SHARPENED

Have your lawn mower sharpened now and avoid the rush later on.

RED CROSS "KNEEDS" KNITTERS

RED CROSS MEMBERSHIP DRIVE

For the past six years the month of March has been for the Town of Grimsby and the Township of North Grimsby "Red Cross Month." Canvassers have, during all those years, voluntarily made a house to house canvass of the area and with the most gratifying results.

This year all we are asked to do for that great organization is to send to the Treasurer of your local branch a membership fee.

Twelve hundred letters have been circulated among those who have been so very generous in past years.

At this writing two hundred of these letters have been returned with donations of \$1.00 and more. This has been very gratifying but you can see, how many more donations must be returned if we are to help the Red Cross in the immense post war work that has been planned by the Society.

We are very confident, as we were during all our campaigns, that a large percentage of the letters sent out will be returned and we hope that this next week will see our hopes realized.

A receipt will be mailed every donor as soon as all donations are in.

If you have not received a request for a membership in the Society owing, perhaps to the fact that you are a new resident of Grimsby and vicinity or perhaps on account of an oversight on the part of those sending out the notices please pardon the omission and send us along your donation anyway.

GRIMSBY AND DISTRICT RED CROSS BRANCH

BREVITIES

EVENTS and TOPICS
of the WEEK in
TABLOID

Spring is just around the corner.
Town council meets next Wednesday night.

Legion business meeting next Wednesday night.

Township Council meets on Saturday afternoon.

Fred Dancer has taken his discharge from the army.

St. Catharines goes on Daylight Time on April 27th to September 29th.

It is half-load season on North Grimsby Road. Truckers pay attention.

W. Fedoryshin, out at Grimsby Centre, reports that he has a cow which freshened several weeks ago, and is milking out of six tests.

At the 12th annual meeting of the Norfolk Berry Growers' Association, Manager R. E. Anderson reported that the total sales of fruit for 1945, while not half as much as in 1940, amounted to \$112,237.

Sponsored by Grimsby Fire Department, the Dundas Boys' Band, will play a concert in the Romy theatre on St. Patrick's night, Sunday, March 17th. Silver collection and the proceeds to go to West Lincoln Memorial hospital.

Three committees of the Lincoln County Council are meeting today in the county building preparatory to placing recommendations before the council at the monthly session commencing March 19th. The Road Committee will meet on Thursday morning with the Industrial Home Committee meeting on the afternoon of the same day. The General Administration Committee will meet in the evening.

Sharp post-war increase in construction continued in St. Catharines in February, it was indicated last week by the monthly building report. A total of 27 building permits to a value of \$72,475 were issued, bringing the total for 1946 to \$142,825. The short month of February continued the upswing, with values greater than January. In 1945, building permits issued in February were to the value of only \$26,050, and the corresponding total for the first two months of last year was \$32,845.

Now that contact has been made with the moon, we look for tin pan alley to turn out more moon songs.

It's a pity that some of the war criminals didn't display the heart during the war that defense witnesses now say they have.

REAL ESTATE

Through the Pettit and Whyte agency, W. A. Coon has sold his fine brick home and four acres of well planted fruit land on Park Road, Grimsby Beach to Mr. H. A. Fauquier of Ottawa.

One of the finest 150 acre Dairy and Fruit Farm in the district, owned by Thompson Wilcox, has been sold to a Syndicate, through the office of Winifred Congdon, Realtor. Students will be trained in Agriculture. The farm was sold complete, with all stock, and equipment.

Vinemount News

Mr. Winstanley, Dean, Vinemount's Post Master and General Store keeper for the past year, recently sold the business to Mr. R. W. Green of Brampton. A double moving event when Mr. Dean and family moved to the home of the late Mrs. Hamilton Sturch, recently bought by Mr. Crofton Miller and the new store keeper and family have just arrived from Brampton.

An afternoon tea was held at the home of Miss Dorothy Bowslaugh, Ridge Road, to honour her cousin, Miss Rita Bowslaugh who is enjoying one month's holiday after completion of three years in training at Hamilton General hospital. Many friends and neighbours were present. A contest provided much enjoyment, and the guest of honour won first prize. Mrs. John Bowslaugh poured tea.

Congratulations and best wishes to Mr. and Mrs. Charles Packham, Vinemount, who celebrated their 30th wedding anniversary March 4th. Mr. Packham has been in ill health for two months.

The Young People of Tweedside held their regular crokinole party in the local school Friday night. The following were prize winners: Alice Tweedie, Lyle Tweedie, Eddy Howard, Jack Larmon, Gordon Hildreth, Clifford Miller.

Boy Scouts

At 7:15 on Monday evening the Boy Scout Troop met in the High School Gymnasium. The opening horn-shoe was formed and the colours brought forth, after which Mr. F. Austin instructed mapping in the corners. A game of ankle then proved a lot of fun. The Scouts dismissed early because of the High School Dramatic night. A popular scout Ray Hatter is leaving the troop this week to live in Galt.

Money still talks but it takes a bigger roll to get an audience.
